# PhD

Fellows and Research  
Aspirants in History

## Elevate Your Research with Cutting-Edge Trends in Historical Scholarship!

### About the Programme:

Engage in a highly focused and intellectually stimulating internship tailored for PhD candidates and aspiring researchers in history. This program is designed to sharpen your research focus, providing critical insights into the latest historiographical debates and methodological advances in the discipline.

### About TIES:

TIES is a pioneering institution dedicated to ecological and environmental studies with an emphasis on historical research, offering an interdisciplinary platform for academic and practical engagement.

**Course Duration:**

October 28 – November 14, 2024

**Registration Fee:**

Rs. 3000 (exclusive of accommodation and meals)

**WHAT WE OFFER:****Research Problematisation:**

Engage in rigorous, scholarly discussions to refine and critically evaluate your research problem, setting a clear trajectory for your investigation.

**Interactive Sessions:**

Participate in intellectually demanding "Thinking Clinics" to sharpen your critical reasoning and analytical skills.

**Science of Writing Workshops:**

Enhance your academic writing with expert-led sessions that focus on precision, coherence, and scholarly rigour in historiographical writing.

**Presentation Skills:**

Develop and refine your presentation abilities through seminars centred around your research themes, improving your academic communication and argumentation.

**Historic Landscape Engagements:**

Undertake immersive explorations of historic landscapes, fostering a deeper, context-driven understanding of historical processes and methodologies.

Seize this opportunity at TIES to advance your research and broaden your intellectual horizons in history.

Course Director:

**Dr. Sebastian Joseph,**

Environmental History and Anthropocene Studies Division, TIES

**Why Join Us?**

This internship offers a transformative opportunity to critically reshape your research approach. You will be equipped with the theoretical insights and practical skills necessary to navigate and contribute meaningfully to contemporary historiographical debates, positioning your work at the forefront of academic discourse.

**Apply Now!**

Seize this opportunity at TIES to advance your research and broaden your intellectual horizons in history.
