LABORATORY MANAGER

For TIES Quality Testing Lab

Job Description

We are seeking a meticulous Lab Technician to play a pivotal role in supporting our laboratory staff, with the primary objective of optimizing lab procedures and ensuring the generation of consistently reliable test results. To excel in this role, you must demonstrate thoroughness in performing your duties, maintain meticulous records of laboratory processes and equipment, and compile comprehensive reports for submission to the relevant laboratory manager.

Eligibility

M.Sc MLT or B.Sc MLT with two years of experience.
Candidates with good communication and teaching skills will be preferred.
