## PROJECT MANAGERS

For TIES ISO-Green Audit Consultancy Division

### Job Description

TIES is the pioneer and leading accreditation body in India, conducting green audits and certification for colleges, universities, and other academic and research institutions. We primarily operate in Kerala but are soon expanding our services to all South Indian states. Audits are conducted by our accredited auditors. However, universities and colleges must be equipped with Environmental Management Systems, and our consultancy division provides services for the same. Project Managers are responsible for conducting training sessions, assisting academic institutions in the preparation of audit documents, and conducting internal audits, among other duties.

### Eligibility

MSW with experience in environmental related projects OR B.Tech in Electrical or Electronics. Excellent communication skill is preferable. Experience in environmental audit is certainly most preferable.
