PROJECT COORDINATOR

For NABARD Project

Project Title : Study on Impact of Climate Change on Rice Cultivation in Kerala and Development of Mitigation and Adaptation Strategies
Funded by : National Bank For Agriculture And Rural Development (NABARD) - CCF-ID
No. of Post : One

Job Description

TIES, in collaboration with NABARD, is working on a project to identify and prioritize climate related challenges in rice farming in Kerala, document successful mitigation and adaptation practices, and develop a climate-friendly farming protocol. The project includes extensive data collection from farmers, scientists, etc. training for paddy farmers on climate-resilient practices, water efficiency technologies, and early warning systems. Additionally, the developed climate resilient paddy farming protocol will be implemented on an experimental basis in four districts in association with selected paddy farming societies.

The Project coordinator is responsible for organizing and managing field research activities, community participation programmes, stakeholder meetings, interviews, awareness campaigns and implementation of all field level activities. He/ She is responsible for documentation, data analysis and report preparation.

Qualification: B. Sc. Agriculture/ M. Sc. Botany/ Environmental Sciences / Climate Studies

Preferences: Candidates having experience in organizing farmers or farm level research programmes are preferable.

Salary : Rs. 18,000/- per month (Consolidated)

Station : TIES, Velloor, Kottayam and regular travelling to following districts are required (Kottayam, Alappuzha, Thrissur & Palakkad)

Period : One Year (20.08.2024 to 19.08.2025)
